

Manchester LINK & Manchester Alliance for Community Care

YOUR Care, YOUR Say - Join The Big Care Debate!

On?

Wednesday
14th October
2009

When?

10.30am -
3.30pm

Where?

Cross Street
Chapel,
Cross Street,
M2 1NL

The government has recently published a green paper entitled "Shaping the Future of Care Together". This proposes to radically change the current system of social care and set up the first ever National Care Service (NCS) for the whole of England.

But what do YOU think about these proposals?
Would you like to find out more?

Then come along to
YOUR Care, YOUR Say
organised jointly by the Manchester Alliance for Community Care (MACC) and the Manchester Local Involvement Network.

On the day you will:

- Get general information about the current care system and adult social care services in Manchester.
- Find out about the green paper and the government's plans for change.
- Have your views heard on how social care should be organised and paid for in the Future.

We'll also have a range of stalls and representatives from different agencies to answer any questions you might have.

If you are interested in coming along, please confirm your attendance for catering purposes by contacting the LINK Support Team.

Turn over for contact details.

What is the Manchester Local Involvement Network (LINK)?

Your Local Involvement Network is your independent monitor of local health and social care services. We provide a voice for service users and enable you to shape the future of the services you receive by bringing together local people and organisations who want to improve services in Manchester.

Your LINK Team is:

Naheed Akhtar - LINK Manager
Valeska Matziol - Community Engagement Officer
Lydia Hurford - Community Engagement Officer
Danny Gough - Community Engagement Officer
Anthony Doggett - LINK Administrator

Address:

Black Health Agency
2nd Floor, Gaddum House
6 Great Jackson Street
Manchester
M15 4AX

What is the Manchester Alliance for Community Care (MACC)?

The Manchester Alliance for Community Care is a voluntary sector organisation which works to reduce inequalities in health and social care across Manchester. We bring together networks of organisations and individuals, including service user groups, providers of services and campaign groups, to work together to support and improve the health and well-being of people from the many communities of Manchester.

To find out more about our work, please visit our website at www.macc.org.uk or contact our office.

Address:

Swan Buildings
20 Swan Street
Manchester
M4 5JW

Phone: 0161 834 9826

Fax: 0161 832 2352
