Event on Homelessness

The Manchester LINK is holding an event looking at issues affecting homeless people and their recent experiences of accessing health and social care services in Manchester.

The LINK will let you know what it has done so far and look at specific pieces of work to be developed.

If you are a service user who is currently or have recently experienced homelessness (including living in hostels, sofa surfing or on the streets) come along and get involved.

This event is for service users, however, there are limited places for project workers. If you are a worker and would like to attend please get in touch

Please confirm your attendance
by contacting the LINK on 0161 214 3909 or
